Prayer Devotional for Kids!

Week 3

Praying for Countries

World Quiz!

psst: Don't worry if you don't know the answers, we are all learning together.

- **How many countries are there in the world?**
- **What is the largest country in the world?**
- **Which country has the largest amount of people?**
- **What is the coldest continent?**

(The answers are at the end of the last page)

This week we will be praying for our country and for other countries around the world that were hit hard by the coronavirus. The whole world has been affected by this virus in some way. Most of the countries have people who are sick or have died from the virus. The good news is that our God is so much bigger than this virus, He hears our prayers and He can heal our land.

Prayer for the Nations

Unfortunately, not everyone around the world can pray to God. There are many people who have not even heard about Jesus, and many others who still choose not to follow Him. Therefore, we need to constantly pray that more people will be able to hear the name of Jesus and follow Him. Pray that God will send many more missionaries to teach them the Good News.

Prayer Points

But how to pray for a country? It may be a little overwhelming. Don't worry we will pray for a few points this week that you will be able to remember.

Presidents/Leaders

It is a difficult task to make decisions for a whole country during this time. Pray that God will give them wisdom to make the right decisions for their people.

1 Timothy 2:1-5 "I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people— for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Savior, who wants all people to be saved and to come to a knowledge of the truth. For there is one God and one mediator between God and mankind, the man Christ Jesus."

Healing

Many people have rejected God. We need to ask God to forgive our country, help us to turn back to Him and heal our land because our country is hurting from all the bad things happening. Only God can truly restore the place where we live.

2 Chronicles 7:14 "If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

Recovery

Some countries were very affected by the virus; they had many people dying from it. Many families lost loved ones. Pray that God will comfort them and that they will get to know Him during this time.

These are some of the countries that were hit the hardest by COVID-19: USA, Italy, Spain, China, Iran, UK and France

2 Corinthians 1: 3-4 "Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God."

Craft!

Make your own flag

Now that you have prayed for your own and other countries, pick a country you would like to pray for during this week. Look up the flag of the country you chose, draw it and color it. Each member of your family can pick a different country.

Activity

Traveling the world through prayer

Place the flags of the countries you will be praying for this week on different places around the house. Every time you walk by, pray to God for that country. (Make sure you stick it on a visible place for the whole family to see).

Challenge

Encourage your friends and family to not only pray for their country, but for other countries around the world. Share some fun facts you learned about the world with them. You can even quiz them over the phone!

Pray!

Father, I pray that You will forgive my country and other countries around the world for disobeying You. Please heal our land and give wisdom to our presidents and leaders to do what is best for their people. I pray that many people will come to know You during these hard times. Amen.
